### RE: RESUMPTION OF JANUARY-MAY 2021 CLASSES THROUGH ODEL

The above subject refers

We trust that you got home safely after the sudden suspension of Face-to-Face classes and closure of all learning institutions through the second Presidential directive on Friday 26<sup>th</sup> March 2021. As a result of the directive, the University had a Special Senate Meeting on 31<sup>st</sup> March 2021 to deliberate on the way forward on current semester's pending classes. During the meeting, it was resolved that the 2<sup>nd</sup>, 3<sup>rd</sup>, and 4<sup>th</sup> year students will continue with the remainder of the semester's classes through ODeL. These classes will resume through ODeL LMS starting on 19<sup>th</sup> April 2021 and the current (Face-to-Face) timetable will be used to minimize confusion. The Office of ODeL will have a students' virtual training for those who still need help/support on how to use ODeL on Tuesday 13<sup>th</sup> April 2021 starting at 10am. In connection to this transition to ODeL, those students whose phone numbers had not been whitelisted by Safaricom for Educational Data (Discounted Bundles) Access should submit their numbers through the Office of Student Council or class reps as soon as possible.

The Senate also resolved that the 1<sup>st</sup> year students will not be required to use ODeL at the moment since they were only remaining with the final examination before the end of the current semester. They will just come for a Face-to-Face final examination at a date scheduled by the Academic Office.

Thank you for your cooperation and support.
